APPLICATION FOR BULK WATER

Bulk Water Terms and Conditions

By signing below, applicant acknowledges and understands as follows:

- The availability of bulk water is at the discretion of the Town. The Town may terminate this bulk water agreement at any time for any reason, including without limitation, if, the Town determines in its sole judgment that termination is in the best interest of the Town or its regular water customers.
- All connections to the Town's water system to draw approved bulk water must occur only at the locations designated on this application. Trucks drawing bulk water must be equipped with air gaps for backflow prevention.
- Any damage to fire hydrants or other Town facilities resulting from this agreement is the sole responsibility of applicant. Bulk water is sold "as-is." The Town makes no warranty as to the quality of the water.
- Water usage fees must be paid to the Town monthly and upon termination of this agreement, based on the measured usage for the previous month. Water usage must be reported to the Town weekly. Failure to report weekly usage is cause for immediate termination of this agreement. The security deposit will be returned when the water meter is returned, less any cost of repairs.
- WATER DRAWN FROM FIRE HYDRANTS IS NOT POTABLE AND IS NOT FOR HUMAN CONSUMPTION.
